Thank you for being here today or by watching the recorded worship service. Our main image for Lent is beach or sea glass. Glass that is broken and sharp and then tumbled through water and sand until it is smooth and beautiful. **Please pick up a piece of sea glass (on the back table) as you come in and then take it home with you as a reminder. If you are viewing this from home let us know if we can mail or deliver you a piece of sea glass.**

All of us have different opinions and risk tolerance in regard to COVID-19 so no judgment and no guilt if you attend online! For those in attendance please read and follow the gathering guidelines... **we count on each other to abide by them.** They are found on the website and there are also some in the entryway.
